Subject: Notice of Commencement of Construction
PSD Permit No. PSD-X81-13 and
Start Up Operations Notice for IGL Facility
PSD Permit No. PSD-X79-05

Gentlemen;

Notice is hereby given of the commencement of on-site construction activities in the Prudhoe Bay Alaska Oil Field Facilities as required under the conditions of PSD permit No. PSD-X81-13. This permit was issued to Sohio Alaska Petroleum Company and ARCO Alaska, Inc. by USEPA, Region X on September 29, 1981. Gravel has been placed in preparation for new facilities permitted under PSD-X81-13 at several gathering centers and flow stations. *PSD IV*

In addition, notice is given for start up of the new interim gas lift facility permitted under Permit No. PSD-X79-05 by the air emissions source exchange effective September 25, 1981. This facility located in the Western Operation Area at GC-3, includes one 4900 HP turbine which began start up operations in January, 1983.

If you have any questions, please contact Lynn Billington (907) 564-4137.

Sincerely,

R. V. Shafer
